Message from Pastor Isaac A. Lane and First Lady Samantha Lane

Dear St. John Delray Family,

Greetings in the name of our Lord and Savior Jesus Christ!

My wife and I are overjoyed to join you in celebrating 110 years of God's faithfulness and unwavering presence with St. John Delray. From the days of Pastor K.D. Davis, through trials and triumphs, we have witnessed God's guiding hand upon our church. We are indeed battle-tested, having faced and overcome challenges like the devastating hurricane of 1928. Yet, we grew stronger and wiser, building our current sanctuary under the visionary leadership of Reverend M.M. Gaines in 1974.

Throughout the decades, St. John Delray has been a beacon of hope, blessing thousands with the Word of God and essential resources. Our commitment to serving our community remains steadfast, and today, we stand stronger than ever, looking forward to a full sanctuary renovation that promises an even brighter future.

As we commemorate this incredible milestone, let us give thanks for our rich history and look forward with anticipation to the amazing things God has in store for us. Remember, just 4 years ago the pandemic closed our doors. Look at us now, we've emerged from such uncertain times with even more vigor, unity and passion for the expansion of God's Kingdom. Lady Lane and I are proud to call St. John Delray home.

"Making The World Around Us, Like Heaven Above Us."

Pastor Isaac & Lady Samantha Lane

The image features a dark blue background with a decorative border. The border consists of multiple layers: an outermost thin white line, followed by a thick gold line, and an innermost dotted white line. The border has a scalloped, Art Deco-style shape with rounded corners and a central opening. Centered within this frame is the text "Our Church History" in a white, elegant cursive script.

Our Church History

- St. John's Church History -

St. John Primitive Baptist Church was first organized in 1914. A small group of Christians began meeting in a packinghouse located across the street from the site of St. John today. This packinghouse was owned by Mr. Jim Monroe, a successful farmer and landowner in the black community.

Mr. Richard Muse, a deacon of the St. John Primitive Baptist Church of Midway, Florida came to Delray to visit his son, Jim Muse. He became excited about developing a plan to organize a sister church in Delray since many of the early settlers had migrated here from West Florida. Deacon Muse stayed in Delray until the church was organized.

Reverend Henry was the first pastor. The church purchased land at the corner of NW 1st Street and 3rd Avenue from Mr. George Green. In 1917, under the leadership of Rev. Cromartie, St. John built its first church. Approximately 15 pioneers made up the early St. John. Among the founders were: Isaiah and Martha Bruin, Jim and Jessie Muse, Alex Edmonds, Harrison Edmonds, Mabel Nathan, Agnes Clem, Rev. Collins, Clara Collins, Clara Morris, Carrie Green, Joe Monroe, and Sam and Lula Robinson.

The original building was destroyed by the devastating hurricane of 1928. God sent Rev. N.B. Frazier as pastor who led the church through the rebuilding phase. The church was re-built in 1930. Seven (7) Pastors served the St. John congregation from 1930-1967. As we grew, land was purchased at the corner of NW 1st Street and 6th Avenue (our current location) to facilitate the construction of a larger church.

- St. John's Church History -

In December of 1968, the beloved Rev. Maurice M. Gaines was called as pastor. Rev. Gaines was a great builder. Under his leadership, we began to work toward building the new church. The foundation was poured in the spring of 1971. The new Church was dedicated on the third Sunday in July of 1974. Oh! What glorious day this was. A small membership had built a beautiful red-brick church. The message at the 11 o'clock service was delivered by the Rev. John J. Thomas from St. Paul Baptist Church. The dedication message was given by Elder Moses Miles, the State President of the Primitive Baptist Convention. This was one of the most unforgettable times in our church's history.

Reverend Maurice M. Gaines

Elder Hayes

The \$90,000 construction loan from 1st Federal Savings and Loan Association was liquidated in seven (7) years. The Lord had truly blessed St. John. Much of the success was due to the excellent leadership of Elder Gaines. He will always be special in our hearts. In November of 1983, Elder Maurice Gaines relocated back to Tallahassee. Elder Everett served as Pastor from 1984-1986 and in April 1987, Elder Edward Hayes became the next pastor. He served until June of 1992. In June 1993, Elder Major E. Rollins, Jr. was called as pastor.

Elder Rollins

Elder Duke

Under Elder Rollins leadership additional land adjacent to the church as purchased for future expansion and parking, new ministries were developed; some of them were the Brotherhood, Dance ministries, monthly newsletter, and the M.M. Gaines Scholarship program. In 2009 Elder Rollins elected to relocate back to his hometown of Tallahassee. November 2010, St. John called Elder Kenneth D. Duke as Pastor. His motto was "Ministry outside the box". Focusing on the importance of unity and fellowship in the church and continued Christian education.

- St. John's Church History -

In July of 2022, Elder Isaac A. Lane was called to Pastor St. John Primitive Baptist Church. With his strong leadership style, he hit the ground running. He immediately set up meetings with all the leaders in the church and each ministry to gain an understanding and build relationships. He traveled each week from Tampa to deliver the word each Sunday. His family officially moved to Delray Beach at the end of July. In the month of September, Elder Lane was officially installed as the Pastor of St John Primitive Baptist Church. In the short time Elder Lane has been Pastor, he has established Quarterly Leadership Locker room events with the leaders of the church; where he presents the vision and goals for each quarter in a fun and open environment that promotes discussion, ideas, and enthusiasm to continue to grow and build the church. Elder Lane has implemented ministry teams to address the current and future needs of the church. Those teams are the Administration Team, Hospitality Team, Fundraising Team and the Congregational Care Team. The Youth Department has been revitalized and renewed with First Lady Lane taking the lead role in this ministry.

Elder Isaac A. Lane

The media team has a new focus for our online ministry and social media platforms. Elder Lane has organized Heaven on Earth to address the various needs in our surrounding neighborhoods, such as care packages for the homeless, community trash pickup and providing water on the beach, just to name a few. The church has experienced growth under Elder Lane that has consisted of new members, youth and former members rejoining our church family. Remarkably, in less than a year, Elder Lane has inspired members to pledge funds to pay off the mortgage for the rental property the church owns. St John is debt free. St. John is excited to be blessed with Elder Lane & his family, and to continue to grow and have a meaningful impact on our surrounding community.

God has truly blessed St. John throughout the years. Through trials and tribulations, hardships and disappointments, God has continued to show his people that he is mighty, and all things work for good according to those who are in Christ Jesus. St. John will continue to keep the faith, preserve and give God all the glory, honor and praise. We look forward to the future and pray that Elder Lane will be our Pastor for many years to come. We can only imagine how God is going to bless St. John through Pastor Lane!
